PHYSIOTHERAPIST

Level 5

Reports to (Hierarchical)
Activity Supervisor

Reports to (Functional)
Activity Supervisor

Job Family
Medical

Main Purpose
Following medical prescription, plan and carry out individual treatment programmes, by assessing patients' physical state, in order to maintain, improve or rehabilitate the physical well-being of the patient and prevent physical handicaps.

Accountabilities
- Assess patient physical capacities, using different procedures (e.g. functional capacity tests) in order to set up treatment objectives with the patient and therefore improve patient's health and wellbeing.
- Elaborate and implement physiotherapy programmes, including physiotherapy exercises, manipulations, massages, education, utilization of physiotherapy devices and orthopedic equipment, educating and advising patients and their careers on how to prevent and/or improve conditions, in order to accelerate and improve activity results.
- Train patients and care-takers on how to avoid injury in order to create preventive behaviors.
- Actively monitor and report physiotherapy activities (correctly filling in patient files, forms, statistics, and reports) and analyze these statistics in order to improve quality service, preserving patient's data traceability.
- Take care of physiotherapy equipment, managing the stock, making orders according to activity and cleaning up the equipment, in order to ensure its continuous availability and quality of service.
- Report to the technical referent any problem arising in the service, especially the loss/ robbery/damage of medical equipment or medicines in order to implement the appropriate measures.

Education
Essential, Physiotherapist official degree/diploma.

Experience

Not required. (the one from the study period is considered as an experience)

Language Level Description
B1 Independent User
Threshold or intermediate

- Can understand the main points of clear standard input on familiar matters regularly encountered in work, school, leisure, etc.
- Can deal with most situations likely to arise while travelling in an area where the language is spoken.
- Can produce simple connected text on topics that are familiar or of personal interest.
- Can describe experiences and events, dreams, hopes and ambitions and briefly give reasons and explanations for opinions and plans.
